Objective

To serve as a member of the Board of Directors of the South Park 2 Home Owner's Association. I hope to make the Board more transparent and more responsive to homeowners in our community. As a resident of this community for over fifteen years, I want to make sure it remains a beautiful neighborhood, preserving and increasing the value of its individual properties. I was a member of the Landscape Committee the past two years, and I want to oversee the implementation of the landscaping project we helped to create.

Experience

Teacher

Many Years

I taught in the Cherry Creek School District (17 years) and at Littleton High School (25 years). I served as a department chair for over twenty years. I retired in 2016. I currently usher at Coors Field for the Colorado Rockies

Committee Member

Many Years

I have served on numerous school and district committees, including Athletic and Activities Committee, District Computer Committee. Vice President of Education Association (all in Cherry Creek), Schedule and Calendar Committee, Social Committee. Curriculum Council, Chair of Curriculum Review and Revision Committee (all at Littleton). I was on the South Park 2 Landscape Committee for two years.

Budget leadership

Many Years

As Department chair for many years. I have overseen department budgets. As Drama Director for most of my career I have overseen extensive activities budgets. As Colorado State Thespian Director (3 years). I oversaw a state budget and planned and organized three state conferences.

Skills

I have been a speech and drama teacher and director for most of my career, which means I am a professional communicator. I know how to talk to people effectively, and I know how to make anything interesting, or dramatic when appropriate. I have also taught Language Arts and have an excellent command of the English language. My people skills are practiced at every Rockies game I work.
