**AUTHORITY:** The Declaration, Articles and Bylaws of the Association, and Colorado law.

**EFFECTIVE DATE:** January 1, 2006

**RESOLUTION**

The Association hereby adopts the following policy:

1. Scope In order to properly maintain areas in the Community that are the responsibility of the Association, to comply with State statutes, to manage reserve funds, and to protect the market value of Owners' homes and livability in the Community, the Board of Directors determines that it is necessary to have policies and procedures for the investment of reserve funds.
2. Purpose of the Reserve Fund The purpose of the Reserve Fund shall be to responsibly fund and finance the projected repair and replacement of those portions of the Community that the Association is responsible for and for such other funding as the Board of Directors may determine.   - (d) Diversify Mitigate the effects of interest rate volatility upon reserve assets.
  - (e) Return Investment funds to see the highest level of return with security (eg. FDIC insured).
4. Investment Strategy The investment strategy of the Association should emphasize a long-term outlook by diversifying the maturity dates of fixed-income instruments within the portfolio utilizing a laddered investment approach. Association may adopt specific financial guidelines.
  5. Independent Professional Investment Assistance The Board of Directors of the Association may hire a qualified investment counselor to assist in formulating a specific investment strategy.
  6. Review and Control The Board shall review Reserve Fund investments periodically to ensure that the funds are receiving competitive yields and shall make prudent adjustments as needed.
  7. Reserve Study In order to determine funding of the Reserve Fund, the Board of Directors may determine, with the assistance and advice of professionals, the life expectancy of those portions of the Community to be maintained by the Association and the anticipated costs of maintaining, replacing and improving those identified areas (hereinafter referred to as a "Reserve Study").
  8. Review of Reserve Study The Board of Directors shall cause the Reserve Study, if any, and reserve funding to be reviewed and updated periodically, at least once every five years, to adjust and make changes in costs, inflation, and interest yield on invested funds, plus modification, addition or deletion of components.
  9. Definitions Unless otherwise defined in this Resolution, initially capitalized or terms defined in the Declaration shall have the same meaning herein.
  10. Supplement to Law The provisions of this Resolution shall be in addition to and in supplement of the terms and provisions of the Declaration and the law of the State of Colorado governing the Community.
  11. Deviations The Board may deviate from the procedures set forth in this Resolution if in its sole discretion such deviation is reasonable under the circumstances.
  12. Amendment This policy may be amended from time to time by the Board of Directors.
